**BIOCLIMATIC  
PERGOLAS**

## DRESS UP YOUR PATIO WITH A **TAILOR-MADE PERGOLA**

**THE SOLISYSTEME LOUVERED-ROOF PERGOLA IS A PATENTED TERRACE COVERING THAT COMBINES FUNCTION & AESTHETISM.**

The perfect compromise between awnings and veranda, aluminium louvers are easy to move thanks to the remote control.

Our BIOCLIMATIC pergola offers protection and an optimal use of your outdoor living space. It allows you to instantly adjust to the sun, create refreshing ventilation in case of high heat, or shelter from bad weather (rain and wind).

**MADE IN CANADA**

# ASSETS

## THAT MAKE ALL THE DIFFERENCE

### 1 | PROTECTION AGAINST BAD WEATHER

Protects from the sun and offers complete cover from poor weather conditions.

### 2 | STAY COOL IN THE SHADE

Provides natural ventilation while providing shade.

### 3 | THE RIGHT TEMPERATURE FOR EVERY OCCASION

Regulates the temperature of adjoining rooms by controlling sunlight intensity and direction.

### 4 | LUMINOSITY ADAPTED TO YOUR MOOD

Make the most of sunshine by adjusting daylight.

# WHY SHOULD YOU CHOOSE SOLICANADA?

1 | 

**FOR RELIABILITY**  
BECAUSE WE ARE  
PATENTED

We are pioneers of the bioclimatic pergola. Our brand is registered in official organizations and patents protect our products. As pergola designers, Solicanada advises the client, customizes, delivers, installs and ensures the warranty of each project.

2 | 

**FOR SUSTAINABILITY**  
BECAUSE YOU BENEFIT  
FROM OUR EXPERTISE

20 years of know-how allows us to offer super reliable pergolas, resistant to both wind and rain. Each structure is unique as our design office approves our projects in order to ensure the sturdiness and the durability over time. We also adapt each pergola to the existing site and structures.

3 | 

**FOR CREATIVITY**  
BECAUSE EACH PERGOLA  
IS UNIQUE

The refined design of our pergolas is timeless. Each product is unique and custom-made. Our experts adapt each project according to the site and to the environment. Our pergolas are customizable with limitless possibilities, thanks to our wide range of accessories.
